

Fun & Easy Ways to Invite

Inviting people to your home for Easter can be intimidating, but we want to give you five ideas to help get you started.

1 Print our Easter invite and use it in gift bags or Easter baskets.

We've created personalized Easter invite cards just for you! Make sure you stop by the One Step area at your campus to pick some up or download them at EasterInAtlanta.com. You can add it to a gift bag or an Easter basket for a personal touch that your neighbors are sure to remember. Check out some ideas from one of our very own leaders who hosted an amazing Easter Watch Party last year.

2 Throw a party and invite your neighbors.

Behind every great party is always good food, drinks, music, and great company! So, make sure you have your favorite playlist locked and loaded. Get the table set with some of your favorite fail-proof dishes, and don't forget to add some allergy-friendly options. Then invite your crew over to have a great time!

3 Have a BBQ and watch party.

The weather is warming up, and now is the perfect time to fire up the grill and enjoy some BBQ with your crew! If you know some of your grilled items will take a little longer than others, be sure to put them on the grill before the party starts so you have time for the really important thing—connecting with your guests!

4 Have an easter egg hunt.

Inviting guests with kids? Take the fun up a notch by having an Easter egg hunt with them. And if you have younger kids, you can also set aside activities for them to participate in during the watch party too.

5 Set up a movie-on-the-lawn.

Turn your Easter Watch Party into a movie-on-the-lawn experience! Be sure to have extra blankets or lawn chairs for people, and it's always a good idea to have a weather-proof backup plan.

We hope that you find these tips helpful for planning and inviting guests over for your Easter Watch Party. We can't wait to see and hear how God moves where you gather! We'd love for you to share your experience with us on social media. Make sure you include [#wearevictory](https://www.instagram.com/wearevictory) so we can celebrate with you!
