

Spend It All

Sean Hill, Amy Thomas and Carl West

Verse 1

Every time Your presence fills the room
You are worth me looking like a fool
So let a sweet aroma fill the air
As oil pours everywhere
As oil pours everywhere

Chorus 1

I wanna spend it all, spend it all on you
Every single drop of my heart's perfume
I wanna pour it out
And give you something beautiful
I wanna spend it all, spend it all on you
My Jesus

Verse 2

At Your feet I lose my dignity
Even though it cost me everything
If they laugh, Lord, I don't even care
I'll pour oil everywhere
I'll pour oil everywhere

Chorus 2

I wanna spend it all, spend it all on you
Every single drop of my heart's perfume
I wanna pour it out
And give you something beautiful
I wanna spend it all, spend it all on you
My Jesus
My Jesus

Bridge (4x)

All of my worship
All my affection
In reckless abandon
Poured on You Jesus

Chorus 3 & 4

I wanna spend it all, spend it all on you
Every single drop of my heart's perfume
I wanna pour it out
And give you something beautiful
I wanna spend it all, spend it all on you
Every single drop of my heart's perfume
I wanna pour it out
And give you something beautiful
I wanna spend it all, spend it all on you
My Jesus
My Jesus

Every single drop of my heart's perfume
