

SMART MONEY
SMART KIDS

In six practical, video-based lessons, parents are given a step-by-step approach to teaching their kids about working, spending, saving, giving, debt and contentment.

Lessons focus on the following principles:

- **Lesson 1** – Work and Responsibility: Teaching kids about the connection between work and money and the importance of responsibility.
- **Lesson 2** – Spending and Wisdom: Teaching kids how to make wise spending decisions now and in the future.
- **Lesson 3** – Saving and Patience: Teaching kids to set specific saving goals, encouraging delayed gratification.
- **Lesson 4** – Giving and Generosity: Teaching kids about God’s ownership in conjunction with their stewardship of all things.
- **Lesson 5** – Debt and Honesty: Teaching kids what the Bible says about debt and how to reject the cultural myth that fuels its popularity.
- **Lesson 6** – Contentment and Gratitude: Teaching kids to adopt a life of contentment and gratitude as opposed to accepting the cultural belief that “bigger is better.”
