LEGACY JOURNEY

The Legacy Journey class is for those who want to go further in the financial management of their money. Though not a requirement, the target audience for this class is anyone who has graduated from any of our other personal financial classes — Compass, Financial Peace University or Financial Hope Workshop.

You will learn the following lessons in the Legacy Journey class:

- **Lesson 1** – Snares and Dares: Learn what the Bible has to say about wealth and faithful stewardship, along with some toxic beliefs society has about wealth.
- **Lesson 2** – The Pinnacle Point: Learn how to invest wisely.
- **Lesson 3** – The Law of Great Gain: Discover the keys to contentment and learn how to figure out how much is enough.
- **Lesson 4** – The Road to Awesome: Learn the five stages of an awesome life, including purposeful living, mastering your talents and guiding others.
- **Lesson 5** – Safeguarding Your Legacy: Find out how to live and leave a legacy for your family and future generations.
- **Lesson 6** – Generational Legacy: Learn the kingdom perspective on material possessions, along with the keys to basic estate planning and generational wealth.
- **Lesson 7** – Called to Generosity: Discover how you can become generous and use the resources God gives you to further the kingdom for generations to come.
- **Bonus Lesson** – Fearfully, Wonderfully Made: Learn the four basic personality profiles and understand how our differences can improve communication in all of our relationships.

The cost to register is $119, and there will be 12 spots available per class. To register, visit victoryatl.com/legacy.
